This pricing is for manuscripts not exceeding 45,000 words. Pricing will be adjusted for larger manuscripts. Cost of going from manuscript to marketplace ranges from \$2200 to \$4400, depending on amount of editing work needed to go from manuscript to published. Pricing cannot be guaranteed until the manuscript has been reviewed by MEE Publishing.

Payment Terms: One-half of payment is due at time of agreement. | Final payment is due at time the book is published on Amazon.

Timeline: Approximately 4-6 months to go from delivery of manuscript to MEE to finalized published book, available through Amazon and Ingramspark. This timeline is flexible based on the condition and completion of the draft manuscript.
